

## Tanečnice Lucie/ **Dancer Lucy**

**Lucy** is a dancer and yoga instructor from the Czech Republic. Her favourite style is Tribal Fusion – a modern Western form of belly dance incorporating elements from ethnic and classical dance styles. In addition, she studied the lights design and drawing, and now she shows her passion for colors when designing stage clothes, props, decorating paper objects (Bezmezer o.p.s.) and in the form of her own painting and drawing work.

The styles with which she complements her dance performances and workshops are gypsy dances, yoga and chair dance. It offers them for various types of events: festivals, corporate and city events and, for example, medieval pubs. She performs solo or accompanied by live music.

She creates her own original expression. She has been working professionally since 2008.

In addition to her work in the Czech Republic, in past years she participated in festivals in Italy, Macedonia, Poland, Germany, Belgium and Netherlands.

### **Tribal fusion**

Tribal fusion is a modern form of belly dance. It is a synthesis of many dance forms. Often includes elements of Egyptian style, modern, jazz dance, breakdance, gypsy.

It draws from many traditional forms such as flamenco, bhangra, kathak and other folkloric dance styles.

Gives the impression of snake movements.

### **Gypsy ethnic dances**

Roma / Gypsy dances can be found in various forms, from India via Asia to Europe.

Sapera: traditional ritual dance of snake charmers in India / dance at the same time is an improvisational form.

Karsilama: Turkish dance is full of gestures, sensual movements of the pelvis and turns.

Ghawazee: Dancing gypsy tribes living in Upper Egypt.

Czoczek: Balkan kind of "Belly" Dances

Csardas: Hungarian Dance

Russian gypsy dance: characterized by the stopms, turns...

Zambra: Spanish dance.

### **Chair dance**

It is a sensual dance on a chair and with a chair, combining elements of acrobatics and other dance styles.
